

Printing Key

- Ceramic
- Xpressions
- Laserfire
- Roland
- Gerber
- Overcoat

WHAT YOU NEED TO KNOW!

Our goal is to deliver the highest quality possible, but we need your help to make this happen.

So, take a couple of minutes to review this proof for:

- Artwork placement
- Color selection
- Correct spelling

If everything is correct, return this proof with your approval. Because without your approval, we can't release artwork for production.

Couple of notes:

All computer monitors show colors differently, final print colors will vary.

We do our best to match PMS colors, but due to the materials and processes, colors may vary

Capacity measurements are estimates.
